*One picture is worth ten
thousand words.*

—Chinese Proverb.

Miss Halford dispenses truth, beauty, and
injustice.

To tell the story of our life at Hinds, we are following the wisdom of the ancient Chinese. In a typical day we stroll across the campus to our patient teachers, the roll-call is answered by our faces—as usual some are absent—, we pick our winners, we love our sports, and scattered all through the story are the sidelights that help to make school so fascinating.

"We're glad it comes **ONLY** now and then."

Dedication

Friends they were, dear to the hearts of all of us. Their quick smiles and friendly greetings made them one of us. We miss them but in missing them we feel a deep pride in their calm acceptance of a great responsibility. Earnestly we hope that their high courage will not be put to the test of the battlefield but will be shown in great deeds in a world at peace.

May they soon return to us, our friends and classmates of the 31st Division.

BUILDING — — —

Local and world events this year have great significance for us, and in our activities on our campus is the symbol of our greater purpose. In troubled times with a world of uncertain future, we have initiated a major building program so that we may do a greater good for you and those who come after you. We are all building, not only classrooms, but character and lives. We know not what is to come but we build because we have great faith in the future.

FOOTBALL

"Now make that extra point."

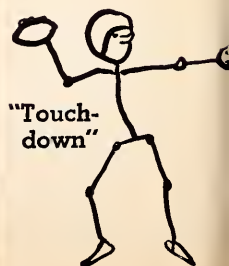

The Eagles had a good season this year winning seven, losing three and tying one. They missed playing in the Laurel Lion's Bowl by one game. They were tied for third place in the conference standings.

Coaches L. C. DeVall, Jr.
and Joe Renfro

"Give it to him straight, Coach."

The team wasn't as heavy as it was last year, but what they lacked in size, they made up in fight, determination, and just "plain old guts".

"Touch-down"

"That's the way to hit."

The players and coaches worked the whole week on a new play to pull on the opponents Saturday night. They work and sweat running the play over and over again to make sure that it will work. They know that if it goes as planned, it will probably be a touchdown which may be the difference between the two teams. Just let one man miss his block and the whole play goes wrong. A great back is made by a line-man who throws a crucial block at the right time.

Managers:

Jerry Franciskato
Wesley Daniels
L. M. Mullins

BASK

The Eaglettes, defending State Champions, had an impressive record this season. They were seeded third in the Girls State Tournament at Summit. They missed being State Champions again by a three point loss to Booneville in the finals. Jill Ray, forward, and Frances Putman, guard, were selected to the All-State first team. The Eaglettes were coached by Walter Gibbs the first of the season. After he resigned, L. C. DeVall took over to lead the Eaglettes to second place in the state.

The Eagle Quintet made an impressive record for themselves this year. They didn't have quite as good season as last year but they were as scrappy team as has hit the hardwood in the past few years. In the Boys State Tournament at Decatur the Eagles took their first game from Summit but in their second encounter they were out-scored by top-seeded Booneville who won the tournament. The Eagles were coached by A. L. Denton.

"Last minute Pep talk"

"Easy duz it, Jack."
